### OBJECTIVE

To build on my 6 years experience behind the bar utilizing my stellar customer service skills and knowledge of brewing and craft beers in a way that entertains and wows customers – bringing them in and keeping them coming back

### KEY STRENGTHS

- Insatiable desire for craft beer knowledge and the beer brewing process
- Detail-oriented with a flair for outstanding customer service
- Friendly, personable, outgoing, interactive and entertaining
- Reached Jedi status with both PosiTouch & Aloha P.O.S systems

### WORK EXPERIENCE

**Bartender, KELLY'S CARIBBEAN BAR, GRILL & BREWERY** Winters, 2010-2013  
Key West, FL

*As the only brewery in the Keys, Kelly's was hopping and enjoyed one of the most popular happy hours in Key West.*

*Tending bar at a brewery taught me:*

- ✓ **Brewing / Craft Beer Knowledge** – assisting the brewmaster two times / month gave me a wealth of knowledge about craft beers.
- ✓ **Prep** – a well-stocked and prepped bar translates into higher revenues and better customer service
- ✓ **Multitasking** – serving \$1000 lunches while simultaneously prepping extensively for dinner and happy hour quickly taught me the most efficient ways to do my many tasks

**Bartender / Wedding Planner, SHADY GATORS** Summers, 2009-2013  
Lake Ozark, MO

*Voted #1 in Drinks & Entertainment and Best Waterfront Bar, Shady Gators is the "Party Capital of Lake of the Ozarks" and may actually be the busiest bar in the state.*

*Bartending at a party bar and planning 8 summer weddings / year taught me:*

- ✓ **Stellar Customer Service** – where every night is non-stop, I not only gave great service but myself and my team always maintained an upbeat attitude and a smile – no matter how slammed the bar was
